

Class of 1976 Reunion Registration

Please complete the details alongside and return to me by **Friday, 30 September 2016**. With regards to the rest of the weekend, you may wish to meet up in groups for lunch or dinner or play golf etc. Wives/ Partners are welcome to attend. If you are in doubt get in touch to see how many wives/partners will be attending as registrations come in.

Those who received our prior promotion have hopefully remembered that we are dining at The Wellington Club on the Terrace - New Zealand's oldest private Club, founded in December 1841 - some 26 years before Wellington College was established. With our College Hall about to be demolished - for the next year, we are lacking venues to host functions - but during the tour in the morning, you will certainly be able to see pretty much all of the College and all the changes that have taken place since you were here forty years ago. **Please note that while wearing a tie is optional, strictly no Jeans/Polo Shirt/T-Shirt for Dinner - these are the Wellington Club rules. Morning activities at the College are a lot more relaxed.**

We have our MC for the evening dinner, but I would like to ask for volunteers to make the following toasts [maximum five minutes]:

- A Toast to Wellington College
- A Toast to Firth House
- A Toast to the Masters
- A Toast to Absent Friends

I can assist with any information you may require. Of course we also invite any anecdotes to be recounted.

During the day (Friday), there is very little parking at the College due to building contractors, staff and students using the parks but you can park along the driveway out towards the Mt Victoria Tunnel (Pattison Street). School starts at 9.20am on Fridays, so I suggest you arrive after that. Cars parked along the back drive must be removed by 3.00pm so the buses can get through.

If you have any photos for our display, please let me know. We have very little from the mid 1970s in our Archive collection.

I look forward to seeing you here at Wellington College in October. Please chase up fellow classmates to make sure they attend and I will keep you informed on registrations etc. Our website will host a up-to-date spreadsheet of the 1976 Cohort with contact details and registrations. www.wc.school.nz. Go to the WCOBA site and follow the Reunions link.

Kind regards
