WELLINGTON COLLEGE LEADERSHIP AWARDS SITUATIONS VACANT

**Code Club Leader
NUMBER OF VACANCIES: 2**

JOB DESCRIPTION:

The Code Club is a group of junior students who are enthusiastic about coding and want to learn more. As a leader of the Code Club:

1. You must be enthusiastic and knowledgeable about coding yourself.
2. Be willing to share your knowledge with junior students.
3. Be available to attend Code Club one Monday after school and one lunchtime each week (only one leader need attend each meeting).
4. Come up with ideas to be used within the Code Club. Take a leadership role in organising events and implementing those ideas.
5. Work with Victoria University graduate students to make sure each week there is new and exciting content.

Applications must be made by email stating the reason why you are most suited for the job. These applications need to be emailed to Mr Briggs for consideration. c.briggs@wc.school.nz.
