

International Students' Association

NUMBER OF VACANCIES: 15 – 20

Objective

The ISA's objective is to encourage and foster friendships among students from different cultural backgrounds at Wellington College and the Wellington College community. It does this through initiating, supporting and implementing cultural, sports and academic programmes in which students of different nationalities are encouraged to participate.

Pre-requisites

Applicants will need to have the desire to help out students from all different cultural backgrounds at Wellington College. They will need to be supportive and make sure all international students are comfortable and fit in. They will also need to have good management skills to assist in planning many activities which take place through out the year. In the past some of these activities have included...

1. International Football Tournament
2. International Wellington Region Touch Rugby Tournament
3. International Food Day
4. International Karaoke
5. Sausage sizzles and burger bonanzas
6. International Basketball Tournament
7. Peer Tutoring
8. International Student week

Job Description

- 1. To support International Students at Wellington College.**
- 2. Assist in planning the International Students' week.**
- 3. Assist in welcoming International guests and students to Wellington College**
- 4. To be proactive in organising fundraising and activities**

Applications must be made on the Application Form available from the International Student Office. The applications must be completed and handed back to the International Student Office. The applications need to be completed no later than Term 1, Week 4, 20 February 2017
