# SITUATIONS VACANT

**SCHOOL PHOTOGRAPHERS  
NUMBER OF VACANCIES: 2**

## **JOB DESCRIPTION:**

Photographs are always required for the many printed and digital publications that Wellington College provides including the Collegian, The Wellingtonian and the Website.

A photographer is required to take photos of events as they occur. These might be sporting exchanges or smaller events such as Year 10 Market Day or VIP occasions, or Old Boy Reunions.

The student must have access to a high spec digital camera and photos taken will need to be either uploaded onto the photo drive or delivered by memory stick.

There will be a couple occasions that you will be required to work in the evening (at two forthcoming Old Boy Reunions - 6.00pm - 7.30pm), so it is helpful to have a car and you can then be compensated for your time out of school hours with petrol vouchers.

A schedule of events will be provided if you wish to see what commitment is needed.

**Applications to Ms Kane [Office 150] ([s.kane@wc.school.nz](mailto:s.kane@wc.school.nz)) in the first instance.**
